District of Delaware

**Re: *Guardian Industries Corporation v. Dell, Inc. et al.***  
***C.A. No. 05-27-SLR***

Dear Judge Robinson:

I write on behalf of defendants Tatung Company, Tatung Company of America and Jean Company regarding the corrected version of our opening brief to join in the motion to stay the case pending the resolution against the LCD Module manufacturers. The version of this brief that was filed yesterday with this Court contained incorrect designations of Exhibits A-C. By mistake, the declarations that are referenced throughout the brief as Exhibits A-C were filed separately and the *Honeywell Int'l, Inc. v. Apple Computer, Inc.* case was filed as Exhibit A. This mistake was an inadvertent error that was not recognized until after yesterday's filing. Attached please find a corrected version of the brief. I apologize for any inconvenience or confusion that this may have caused the Court or the other parties.

Respectfully,

Matthew W. King
